ACCOMODATIONS

Special conference room rates of \$85 per night are available by contacting the Galveston Hilton at (409)744-5000 on or before **January 22, 2010**, and specifying attendance at the “HIV Mini-Fellowship” conference.

COURSE DESCRIPTION

This three-day mini-fellowship is offered to update health care professionals, physicians, dentists, nurses, nurse practitioners, physician assistants, pharmacists and other health care professionals with the most current information and data required for the successful treatment in HIV/AIDS-infected individuals. Topics are designed to address the issues health care professionals face in the management of HIV. This program will provide each participant with a comprehensive learning experience through lectures, case studies, questions and answers, and hands on clinical and telemedicine experiences.

ACCREDITATION

CME—The University of Texas Medical Branch at Galveston is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Texas Medical Branch at Galveston designates this educational activity for a maximum of **15.75 AMA PRA Category 1 Credits**™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CNE—The University of Texas Health Science Center at Houston is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation, Provider # 09-267447-A. This program has been approved for 15.75 Contact Hours.

EDUCATIONAL OBJECTIVES

- To describe the pathogenesis of HIV infection and to recognize when antiretroviral therapy is indicated.
- To evaluate current antiretroviral agents with regard to drug interactions and side effects.
- To choose appropriate antiretroviral agents in antiretroviral naive and experienced patients.
- To identify signs and symptoms of common opportunistic infections and to select appropriate treatment for these infections.
